

The Farmers & Merchants Bank and the Farmers Loan and Trust Company, both of Anderson, S. C., take a great deal of pleasure in lending money to prompt paying customers and at this season of the year take an especial pleasure in lending money to their farmer friends.

We would be pleased to extend our acquaintance with the farmers of this good county by lending them money.

Why we want Small Accounts

Do you realize that a hundred small accounts make a bank stronger than a dozen large ones even if they aggregate the same total of deposits?

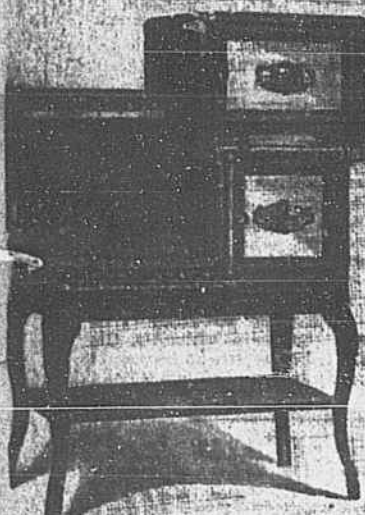

That's why we are constantly seeking new customers. We want as wide a circle of friends and customers as possible.

Of course, large accounts are welcome, too, for it is our purpose to serve ALL people.

But we want men and women of limited means to know that this bank is willing to accept their deposits and give them the advantage of our advice and every facility of the institution.

If you are not a bank depositor at all come in and get acquainted with us. We will be glad to talk things over with you.

NO MORE SYMPATHY FOR MISS PENDLETON

Spartanburg Stories Say That Public Opinion Concerning the Young Lady Is Changing

Spartanburg, April 4.—It seems that a reaction has taken place among the sympathizers of Miss Fleda Pendleton, who is so soon to go on trial with Clyde Clement for the murder of the baby child in Spartanburg on January 30. For a time there could be heard predictions on any side in Spartanburg that Miss Pendleton would at once be acquitted when she went on trial and swore that the child was hers, that Clyde Clement was its father and that Clement did throw the child in the stream. Since have there seems here seems to be a perceptible change in the public opinion, although, so far as is known it has not changed in the belief that Clement is guilty; it has rather been that by assenting to the crime Miss Pendleton is equally as guilty as she should share the same fate as Clement.

Attorneys in the case are putting forth every effort and straining every single nerve. The prosecution claims that it will be able to convict both the man and woman, while equally as positive are the attorneys for the defense in saying that they will be able to clear their clients.

Court is to begin here on April 20 and witnesses say that it is almost impossible to select a jury from the venire just drawn. Every one in the county has been more or less interested in the case and the understanding of selecting 12 men to try the case will be a most tedious task.

It is expected that the greatest legal battle ever experienced in Spartanburg county will take place in this case and the court house here will not be sufficient to accommodate one-tenth of the number, wanting to hear the trial.

Found a Cure for Rheumatism.

"I suffered with rheumatism for two years and could not get my right hand to my mouth for that time," writes Lee L. Chapman, Mapleton, Iowa. "I suffered terrible pain so I could not sleep or lie still at night. Five years ago I began using Chamberlain's Liniment and in two months I was well and I have not suffered with rheumatism since." For sale by Evans' Pharmacy.

SCHOOL REPORT

I hope that in a few weeks I may be able to complete my visiting among the schools. My attacks of grip have caused me to miss about ten visits.

The schools, as a whole are in good condition. The greatest need is a longer term. No school in the county should run less than seven months. Some of the schools I have visited have only a three months' term. One of these had enrolled 82 as bright boys and girls as can be found in the county.

In connection with many many other duties I have visited the following schools:

Cluck Mill, Williamston Mill, Williamston Graded school, West Pelzer, Pendleton, Green Pond, Broyles, Lebanon, McLean, Mountain Creek, Denver, Oak Grove, Walker, McElroy, Hones Path, Belton, Double Springs, Roberts, Mountain View, Three and Twenty Star, Flat Rock, Townville, Good Hope, Ivy, Rocky River, Barker's Creek, Zion, Cheddar, Pelzer, Piedmont, Rock Hill, White Plains, Central, Cleveland, Friendship, Shady Grove, Long Branch, (16), Eureka, Neals Creek, Oak Hill, Canero, St. Paul, Airy Springs, Mt. Airy, McAdams, Big Springs, Craytonville, Mt. Bethel, Shaw Hill, Asa, Ebenezer, Long Branch (23), Bishop's Branch, Fairview, Hammond, Canterville, Smith, Barnes, Yellowish, Genoa, Dorchester, Triangle.

COMB CASE TEA IN LIFELESS, GRAY HAIR

Look young! Common garden Sage and Sulphur cures of naturally lifeless hair.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded, or straggled appearance, this simple mixture was applied with wonderful results. By applying it and rubbing it over the scalp and hair, you will get a large bottle of this old time recipe, ready to use for about 50 cents. This simple mixture can be depended upon to restore the natural color and beauty of the hair and is especially for women with dry, lanky scalp and falling hair.

A well known down town druggist says that everybody uses Wyeth's Sage and Sulphur because it "cures" the hair naturally and evenly that anybody can tell it has been applied—it's so easy to use too. You simply dampen a comb or soft brush and draw it thru your hair, taking one strand at a time. By morning the gray hair disappears; after another application the two hair is restored to its natural color and looks soft, glossy and abundant. —Evans' Pharmacy, Agents.

Cured a Severe Backache.

"I had been a real sufferer with backache so that I was unable to bend. A friend recommended Dr. Jones' Liniment and the first application gave me relief. One bottle entirely cured me.

"A few days ago a lady called who complained of great pains in her back. I gave her a little of Dr. Jones' Liniment and she was relieved immediately after applying it. We are recommending it to all our friends." So writes M. P. Stutzman, of Hegins, Pa.

Pains in the back are often mistaken for kidney trouble, and so-called kidney cures and plasters are resorted to, which, failing to relieve, only tend to aggravate the disease and prolong the suffering. Dr. Jones' Liniment relieves Rheumatism, Neuralgia, Headache, Cramps, Cold in Chest, or any pain or ache that can be reached by external application.

Ask your neighbors what Dr. Jones' Liniment has done for them.

ANDERSON FIRM GETS CONTRACT

Casey & Fant Will Draw Plans For Methodist Church at Clinton

Messrs Casey & Fant, Architects, have been employed to prepare plans for the Methodist church of Clinton, S. C., to cost \$25,000. The building will be of classic design with an auditorium to seat about 400 people and a Sunday school wing to accommodate about 500 pupils.

The Methodist church of Clinton have bought a beautiful lot on the corner of Broadway and Rerguson streets near the center of the city, and will erect the church and parsonage as soon as the plans are completed by the architects.

The Methodist of Clinton deserve great praise for their enterprise, having raised the funds for the new church in a six-day whirlwind campaign. The Anderson firm of architects were selected out of about 20 that submitted plans.

LITTLE GIRL WAS STRUCK BY AUTO

Narrowly Escaped Death Because of Careless Driving of Car On Crowded Streets

From Sunday's Daily

The little daughter of Wallace Strickland was shoved down yesterday afternoon on the streets of Anderson by an automobile and was severely bruised. That she was not more seriously injured is hardly less than remarkable and by-standers were so very frightened. She was not run over, but was thrown down.

Some of those who saw the accident said that it was due to careless driving. Throughout the day yesterday the streets were crowded with automobiles and it was almost dangerous to attempt crossing the streets, owing to the fact that many of the drivers of the machines did not seem concerned over the safety of pedestrians.

\$25,000 MORGENTHAU RUG FOR THE SAYRES

New York, April 4.—A beautiful Oriental rug, valued at \$25,000, has been received here. It is the wedding present of Henry Morgenthau, Ambassador to Turkey, to Mrs. Francis B. Sayre, daughter of President Wilson.

The rug is 9 by 5 feet, and the blended colors are red, two shades of blue, green and yellow, with a green and red fringe. It is called a "hotting rug," as many weird animals and lions, tigers and deer and green dragons are represented.

NERVOUS DYSPEPSIA

Invariably leads to severe complications. It is frequently followed by chronic indigestion, general debility, and nervousness. The blood is impoverished, the life sustaining qualities, and the weaker victim is afflicted with a host of other troubles, such as a weak stomach, a weak heart, a weak brain, a weak nervous system, and a weak constitution.

The Way That Cures

is to purify the blood, which will then supply the necessary food for the organs, giving them the strength to perform their functions. Having the blood pure and strong, the weaker victim is brought up to normal, and the patient is made to feel well.

MRS. CHARLES BURTON DIED IN COLUMBIA

END CAME YESTERDAY AT FIVE O'CLOCK

FUNERAL MONDAY

Beloved Woman Succumbed in Columbia After Long and Painful Illness

From Sunday's Daily
A telegram was received in Anderson yesterday afternoon conveying the sad intelligence of the death of Mrs. Beulah Olga Burton, the wife of J. Charles Burton of this city. The end was not unexpected as it was known that Mrs. Burton's condition was critical and yesterday morning messages had been received here telling members of her family to come to Columbia.

Mrs. Burton underwent an operation before Christmas from which she never fully recovered. She went to Columbia to be under the care of a specialist and it was hoped that his treatment would benefit her, but she failed to improve, instead she grew steadily weaker until the end came yesterday.

Mrs. Burton was before her marriage, Miss Brown, a sister of D. C. and Dexter Brown. She was widely known and in all parts of the country the news of her death will bring sadness.

She is survived by her husband, one little daughter, seven years of age, the two brothers mentioned and two sisters, Mrs. J. P. Crowther and Miss Mollie Brown, both of Anderson.

Mrs. Burton was 35 years of age and a devout member of the First Baptist church of Anderson.

It was said last night that no complete arrangements had been made for the funeral but this will probably take place Monday. The body will arrive in Anderson at noon today, coming in over the Blue Ridge.

IF BACK HURTS USE SALTS FOR KIDNEYS

Eat less meat if kidneys feel like lead or bladder bothers you—Meat forms uric acid.

Most folks forget that the kidneys, like the bowels get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder trouble and disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or a pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then feel fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so that it is no longer irritating, ending bladder disorders.

Jad Salts—harmless, inexpensive, makes a delightful effervescent lithia water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble. —Evans' Pharmacy, Agents.

SHIFTING COAL SAVED VESSEL

Caused Heavy List Elevating the Two Large Holes Above Water Line

Newport News, Va., April 4.—How a strange turn of fortune saved the American steamer Thompson from a disaster on the Virginia caper early yesterday, when she was struck in a tug by the American schooner Augusta W. Snow, was related here today by Capt. Caviller of the Thompson. The Snow's bow was crumpled and she quickly water-logged. She was towed into port here last night by a navy tug, the Thompson arriving at the same time under her own steam.

The Thompson, her captain said, was saved by a heavy list, caused by the shifting of her bunkers, which quickly elevated above the water line two large holes torn in her side by the Snow. Men were sent over the side and the damage temporarily repaired with steel plates and canvas. Marine men here today could recall no similar incident and declared the Thompson would have gone to the bottom in a short while but for the shifting of her coal.

URGES STERILIZATION OF 'BEAU BRUMMELS'

Denver, April 4.—The sterilization of the "Beau Brummels" of the boulevards who are unfit morally and physically to marry, as well as common criminals, was advocated by Bishop C. J. Anderson, of the Episcopal Church Diocese of Chicago, in a sermon here.

"If you are going to sterilize the unfit," he said, "let us take in the criminal in the smart set, as well as the criminal in the jail."
